

5 Tips On How To Shortlist Study Abroad Consultants

1. Consultant with Google reviews of 4.5 and above is good.
2. Number of reviews on Google should be more than 200.
3. You must view student testimonials on YouTube channel.
This will give you first hand information about the consultant.
4. Consultant should be able to give you university and course options as per your budget, marks and career goals.
5. Genuine consultant will always be transparent with you.
